At Kehler Sheet Metal Fabrication we are continually working to increase our efficiency and reduce fabricating costs. This allows us to provide you fair prices and assist you in achieving a competitive edge in your own industries.

We can customize any sheet metal fitting to your specifications; don't hesitate to contact us for a quote. For most HVAC fittings we can give you an immediate price over the phone.

As demands require it we will have in stock more items for your convenience.

While we can not control fluctuating metal prices our commitment to you is to offer superior product, excellent service, and competitive pricing.

We are always looking for ways to improve our catalogue and updating it to suit your needs. We appreciate your comments on items you'd like to see in future books.

RETURN POLICY

**At Kehfab our goal is 100% customer satisfaction.
This policy is in place to ensure proper credit for your returns.**

We accept returns of stock material within 30 days of purchase.

There will be a 20% restocking charge on all eligible returns.

Custom pieces and special orders are final sale.

DETAILS:

- ~Confirmation of purchase may be required; we will not credit any material returned to Kehfab that was not sold by Kehfab.
- ~Returns will only be offered if the product is in its original packaging, unopened, in saleable condition.
- ~Hangers and pipe supports are accepted in full, unopened packages only.
- ~Refunds will be provided as a credit note for all customers with charge accounts.
- ~Returns paid for by cash will be refunded in cash if the amount is less than \$50 and paid for by cheque if greater than \$50.
- ~Returns paid for by cheque, if cleared after 10 days, will be refunded by cheque.
- ~Returns paid for by credit card will be refunded to same credit card. Allow 15 days for processing.

Note: All material left at Kehfab becomes the property of Kehfab; anything not eligible for credit will be discarded or recycled.
